

By partnering with behavioral health care professionals, we develop and deliver superior, web-based solutions to enhance the quality of patient care and improve caregiver efficiency.

Epitomax® The 1% Solution

Why is software so expensive? Why is software so hard to use!
It doesn't have to be that way! Epitomax is the behavioral health enterprise application to change all of that.

Epitomax is the best the behavioral health enterprise application market has to offer – we talk candidly about cost so you can focus on what a terrific behavioral health enterprise application Epitomax is.

Purchase and lease available.
Hosted by us or installed on your servers.
The choice is yours!
